Principal's Words

Dear Parents,

Three weeks into our school year and all the children seem to have settled in well and are enjoying their new classes and friends. Already lots of clubs and extra activities have started and each year there seems to be more and more opportunities for the children at BHS.

Afterschool Arrangement

It is important that you notify the school of any changes to your child's after school pick up arrangement. Also, please be reminded that all children need to be supervised by an adult if they have a late after school activity.

Meet the Teacher Evenings

It was very pleasing to see so many parents at last week's Year Ahead Meetings. If there were any parents who missed the evening please contact your child's class teacher if you are unsure of any class procedures or view the teachers' presentations at the school website.

International Day

Our very first Beacon Hill International Day was a fabulous success and it was great to see all the children dressed in such wonderful outfits and colours. A huge thank you to all of our mums and friends who organised a smorgasboard of activities and displays in the school hall. The children got so much out of the day and the theme of celebrating our different backgrounds and cultures was underlined by the deep sense that we are all "global citizens". We raised over \$8,000 for the UNICEF Pakistan Flood appeal which was a great result for International Day! Finally, a big thank you to Miss Streames and Miss Trotter for organising the day.

Bus Clarification

A reminder that all children on school buses will be collected directly from the school playground after school. This will hopefully ease the traffic jam at the front entrance each afternoon.

Can I also remind parents that the school or PTA have no direct connection with any of the private bus companies however, the safety and welfare of our students is still paramount to the school. Your first point of call should be directly to the bus company and if a problem persists, please contact me directly at principal@bhs.edu.hk

Unacceptable situations include :

- 1. More students on the bus than is legally allowed*
- 2. Speeding*
- 3. Unsafe buses*

It is also unacceptable for unscrupulous business activities eg. soliciting parents and children from one bus route to another.

List of BHS Clubs 2010/2011

Attached for your information—more will be added over the coming week.

Rainstorm and Typhoon Warnings

Attached for your information.

I look forward to catching up with you all at next weeks PTA Welcome BBQ.

Yours sincerely,

John Brewster

KEEP INFORMED

We like to keep you informed of how BHS operates and how you can help your students get the most from their time as a member of the BHS family. All our new Year 1 parents received a 'Family Handbook' when they came to our induction day in June. We know this may be a useful document for all our other families and therefore we have uploaded it on our school website for you to view (and print if you wish). Inside you will find staff lists, term dates, details about the schools visions and mission, information about the curriculum and the PYP, our reporting process, contact details, a uniform list, general health advice and guidance on what happens during poor weather conditions.

We hope you find it useful and also value any feedback as this document is updated annually.

BHS / HK Community Chest Dress Special Day

Beacon Hill School will, as always, be joining in with this year's 'Dress Special' day. The official date is the 28th September BUT at Beacon Hill School we will be 'Dressing Special' on **WEDNESDAY 29th SEPTEMBER.**

Last year, of the HK\$18 million that was raised by the Community Chest, HK\$10 was raised in schools. This year we have requested that the monies raised by BHS be used to help and support 'Children and Family Services' in Hong Kong.

So, on Wednesday 29th September we encourage everyone attending BHS to come dressed in something special and to make a donation of \$10 or more.

James Harrison

RAINSTORM AND TYPHOON WARNINGS

The rainy season lasts from April to September. Parents are advised to note the following arrangements, which apply in all cases except where students are taking external examinations (see EXTERNAL EXAMINATIONS below).

TYPHOONS

BEFORE SCHOOL HOURS:

Parents should use **radio or television** (or consult the EDB or ESF websites) to receive announcements on the closure of schools.

If **Typhoon Signal Pre-8 or Signal 8 or above** is raised prior to school hours, all schools will close. Kindergartens and the Jockey Club Sarah Roe School (JCSRS) will close if a Signal 3 is hoisted.

The pre-8 signal indicates that the observatory expects to raise the 8 signal within two hours, giving school and families the opportunity to be prepared.

If a signal is raised while students are travelling to school, the school is responsible for receiving the students and holding them until arrangements can be made for them to return home at an appropriate time.

IN SCHOOL HOURS:

With **the government announcement of the closure of schools**, all schools are to close. In that situation principals will ensure that safe and adequate arrangements can be made for students to return home.

If that is impossible the school will inform affected parents that their children will remain in school until it is safe to release them or until a parent or designated responsible adult picks them up. Students will not be sent home on school buses once a Signal 8 or above has been hoisted.

LOWERING OF SIGNAL:

When a typhoon signal is lowered to no. 3 (or no. 1 for kindergartens and JCSRS) or all signals are cancelled, all **schools will open on the next school day**.

HEAVY PERSISTENT RAIN:

The Amber, Red, Black Warnings are independent of other warnings e.g. landslip or typhoon warnings.

RAINSTORM WARNING SYSTEM	ACTION TO BE TAKEN
AMBER	All schools and kindergartens operate as usual
RED OR BLACK	
(i) Before the start of school	All schools will close for the whole day. If the warning is raised at the time your child sets off for school (s)he should stay at home.
(ii) After students have set off for school, but before the commencement of school	Schools will accept those students who arrive, and retain them until it is safe to allow them to proceed home.
(iii) When classes are in session	Schools continue until the end of normal hours and students are retained until conditions are safe for them to return home.

Schools will not allow students to return home, including on a school bus when a Red or Black Warning is issued.

In these circumstances children may only be released to a parent or designated responsible adult **if requested by a parent to do so**. Schools will not request parents to come to school to collect their children in dangerous conditions.

If school buses can be arranged when the relevant signals are lowered, then they should run. If not, the school must advise parents (or designated responsible adult) to collect their children from school.

Each school will have a contingency plan to cover inclement weather conditions and shall advise parents so that procedures are fully understood by all concerned.

Schools that lie in areas prone to flooding or landslips will monitor conditions and take the necessary precautionary measures.

When in doubt, parents should consult the school website for clarification on arrangements in inclement weather.

When relevant observatory signals are lowered, the emergency notices will be removed from websites, indicating a business as usual situation.

In extreme weather please do not telephone school unless it is absolutely necessary. Please refer to the ESF or school website.

PYP News

IB Mission Statement:

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment. These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

Thank you to all the Year One parents who attended the 'Introduction to PYP Information Evening' on August 31st. It was wonderful to see so many parents come along to learn more about the PYP curriculum framework. The PowerPoint presentation from the evening is now on the BHS website.

Please also make sure you take a look at the Unit of Inquiry overviews for the current Unit your child is studying. The overviews outline what your child is learning, the skills they will be developing as well as a summary of the end of unit assessment.

Parents are welcome to access the IB website at www.ibo.org. This site has some useful information about all of the IB programmes, including the PYP as well as the history and mission of the IB organisation.

Finally, you can help support your child's learning at home by modelling and encouraging your child to develop the attributes of the IB Learner Profile. Everything we do within the walls of our school is centred on developing students who, "recognising their common humanity and shared guardianship of the planet, help to create a better and more peaceful world" (Making the PYP Happen, IBO). We promote intercultural understanding and respect, not as a substitute to a sense of cultural and national identity, but as an essential part of life in the 21st century.

On the following page I have described the Learner Profile in a format that could be useful to display in your home (e.g. on the fridge). In following newsletters I will be outlining each attribute of the Learner Profile with ways you can support your child at home.

If you have any questions about the PYP and the Learner Profile please do not hesitate to contact me.

<p>Risk-Takers</p> 	<p>They approach unfamiliar situations and uncertainty with courage and forethought and have the independence of spirit to explore new roles, ideas and strategies. They are brave and articulate in defending their beliefs.</p>
<p>Knowledgeable</p> 	<p>They explore concepts, ideas and issues that have local and global significance. In doing so, they acquire in-depth knowledge and develop understanding across a broad and balanced range of disciplines.</p>

Occupational Therapy at Beacon Hill School

Rachel Jeacock is a qualified and experienced Occupational Therapist who provides onsite parent funded intervention to children who may present with fine/gross motor difficulties, sensory integration challenges, developmental delays or assistance with co-ordination and/or self regulation management. If your child could benefit from an initial consultation, assessment or on-going support in Occupational Therapy please contact Belinda McLaughlin, Head of Special Educational Needs. belinda.mclaughlin@bhs.edu.hk

Green News

The Green Team have had their first meeting this week and all 32 members are keen to put their school and the world in a greener light. Watch this space each newsletter to find out what we are up to and how you can support us.

Visit to SPCA

During the previous summer term, the Green Team paid a visit to the SPCA and reported back to the school. We later had a collection for that charity and for the Hong Kong Dog Rescue Home. The SPCA included us in their newsletter and if you would like to read it, go to: http://www.sPCA.org.hk/eng/members/edm_jun2010_education_e.htm

Two of our staff have shown their support for the plight of these animals by taking action and adopting pets for themselves. Mrs McKinnon got a dog from Dog Rescue in Tai Po and Ms. Haywood adopted two little kittens from the SPCA. Well done ladies! Also, well done to anyone who has ever rescued an animal from a shelter, rather than buying from a pet shop.

Carfree Day 2010.

There will be a Carfree Day on **Wednesday 22nd September**, organised by GreenPeace who are hoping to get as much support as possible all over Hong Kong. By using public transport for that one day, **WILL** make a difference.

Moon Cake Tins

With lantern festival celebrations coming up soon, please remember not to throw away your moon cake tins. There are several recycling points around HK.

HEALTH

(Reminder)

ALLERGY

It is a condition in which the body reacts with unusual sensitivity to a certain substance.

There are students and staff who are allergic to certain food, to certain medication and to non specific substance. The signs and symptoms vary from minor to life threatening.

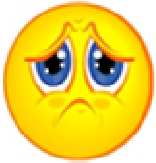

Please remind your child to take care at school and please do not bring any kind of nuts to school to help us to maintain a “nut free” School at Beacon Hill.

Thank you.

PE News

Currently in PE

Year One: Gymnastics (with Mr Teahan) and throwing/catching (class teachers)

Year Two: Athletics and health related exercise (with Mr Teahan) and Striking and fielding (class teachers)

Year Three: Gymnastics (class teachers) and Striking and fielding - rounders (Mr Teahan)

Year Four: Dance (class teachers) and Gymnastics (Mr Teahan)

Year Five: Gymnastics (Mr Teahan) and Invasion Games - netball/football (class teachers)

Year Six: Gymnastics (Mr Teahan) and Invasion Games - basketball, hockey, rugby and gaelic football (Mr Teahan and class teachers)

As always in PE my number one priority is safety. One way to keep the children safe in PE is to not wear any jewellery as that can be a hazard to the child wearing the jewellery and their classmates. Starting from Monday 13th September any child wearing jewellery will be asked to remove it. If your child is wearing jewellery for religious reasons please can you send in a letter or note or you can email me timothy.teahan@bhs.edu.hk If your child needs to wear jewellery then on the days they have PE I expect their jewellery to be taped onto their PE shirt or body.

Please also note that PE shoes are meant to be white only. If your child has an after school club they must still be wearing white shoes and change into the other footwear after school. This also applies to school uniform where the school shoes must be black.
