

# The Power of Play

Please find below the presentation slides from the Year One Play Workshop.

Thank you to all the Year One parents who came to take part in the Year One Play Workshop in the last two weeks. We were so pleased to see so many parents, along with their children, engaged in great examples of different types of play. We hope that you learned more about the role of adults in child's play and most importantly had a fun time together with your child. Thank you also to all the parents who have managed to send in their pledges. It is great to hear that many children will be now taking part in more play dates and given more opportunities outside of school to learn the skills necessary for cooperative play. It is also great to hear that more parents would like to get involved in their child's play. Please enjoy the photos [HERE](#).
