

May 27 - Summer Concert

The Summer Concert was a fabulous evening where over 100 children performed. It began with the Samba Percussion Group leading the audience from the playground to the hall with carnival rhythms. The programme was varied - the BHS orchestra, Chamber Choir and the Year 4 Ukulele players all entertained us. The BHS Community Choir also performed and really demonstrated that BHS is truly a community school. You can watch the video for the evening on The Beacon. Well done to everyone and a special thank you to Mr Gibson.
